Dear Rep. Hollenbaugh,

It is my pleasure to inform you that the MEA-MFT Committee On Political Education has voted unanimously to recommend your re-election to the Montana State House of Representatives.

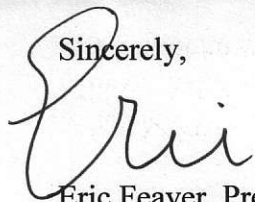

MEA-MFT COPE took this step early in the election process in recognition of your superb record of support for quality public education, quality public services, and our 17,000 members who live and work all across Montana.

The 2007 MEA-MFT voting record shows that you received a perfect score of 100% on the issues that matter to our members. I have enclosed a copy of our voting record. You may also find it at <http://www.mea-mft.org/07votingrecord.htm>

MEA-MFT stands ready to assist you in your campaign. Feel free to contact Terry Minow, MEA-MFT Political Director, or me, or any of our staff or board of directors to visit about how we can be of help in your re-election campaign.

Once again, congratulations on your excellent record of support.

Sincerely,

Eric Feaver, President
